Yes: I have a very clear idea

If you answered yes, tell me more: _____

If you answered "yes, I have a very clear idea": I recommend browsing websites online (ie, doing a google search on "best websites or browsing templates within your chosen website builder). Email link to your favorite pages, along with a short description of why you like this/these sites. This is not required, but helps you avoid any potential revision fees from adding up. Word descriptions, (like classy, edgy, modern, etc), can be open to interpretation from person to person; so to better meet your expectations, I have found this visual input to be very helpful for both the client & myself.
