If you answered "yes, I have a very clear idea": I recommend creating a PINTEREST BOARD of any relevant visuals that will help assist me in the design process. This is not required, but helps you avoid any potential revision fees from adding up. Word descriptions, (like classy, edgy, modern, etc), can be open to interpretation from person to person; so to better meet your expectations, I have found this visual input to be very helpful.

Yes, I will create a Pinterest Board & email it to clairemenegatti@yahoo.com
